There are more than a few of you who have written letters asking to see more contests, pageants and minor theatricals. I am pleased to tell you that we have packed this issue with as much of that kind of thing as we can stand.

It is all too understandable that many of you out there want to see pictures of men in dresses. After all that's what we are famous for.

From the EDITOR

As I have looked over the volumes and volumes of back issues of FMI, one of the

things that has slowly slipped from the pages are the wonderful and energetic photos of boys playing dress-up. Young, good looking men that are cutting loose and having a ball, or going to one, in a bra, panties and high heels, just for the hell of it!

Fall in West Hollywood, California is the place to be if you want to traipse around town in a big wig and false everything. What we found in our travels was not just comic drag, but more than a few dedicated boys who wanted to pass! Boys, who when all prettied up as the femme of their choice, felt a little freer to act up and act out.

Happy dressing,

Kim Christy

A full-page photograph of a woman with long, dark hair pulled back, wearing gold hoop earrings, a gold chain necklace with a small pendant, and a gold bangle. She is sitting on a white surface, possibly a bed, with her legs crossed and hands resting on her knees. She is wearing black stockings and a black thong. The background is a plain, light-colored wall.

Prayloon is from Bangkok, Thailand home of the world's most beautiful transsexuals. She works as an exotic dancer in one of Bangkok's most exclusive "gentleman's clubs". Needless to say, Prayloon is one of the most popular girls in the entire establishment. But do the patrons know that she is a pre-op TS? "Some do and some don't", Prayloon reveals. "But all the customers are very nice, regardless, and I do get lots of tips."

A Bisexual Woman

I'd like to compliment you on a recent issue which featured Christy and Diamond. I'm a Bisexual woman and my boyfriend Jeff enjoys the swinging lifestyle as much as I do.

We recently became interested in swinging and invited another couple over for a fun night of sex.

Well lately, we've been very curious about prettytranssexuals with larger breasts than I have (b-cup). To see a beautiful woman with a large cock is quite a turn on, and your magazine is wonderful. We would like to suggest more photos of your models turned showing their beautiful asses. We'd like to hear from other couples who enjoy transsexuals as we do.

Keep up the great work,
Dee

We always enjoy getting compliments. We will take your request to our photographers! Keep enjoying yourselves.

Ultimate Fantasy

To my dear beautiful Kim, I live in a small town in AZ. I would love to tell you about the Ultimate Fantasy I have. I have had one experience with a she-male so far, and let me tell

T O T H E E D I T O R

you it was fantastic.

She came from Las Vegas and spent 3 days with me, Wow! Three days I'll never forget!

Let me tell you about my fantasy. I'm sitting at home watching one of your hot flick's, it is 6:am Wednesday morning, suddenly there is a knock on my front door, a quiet knock so as not to disturb any neighbors. I am wearing some silk blue shorts, with my cock bulging out, when I open the door. To my overwhelming surprise was four beautiful lady's standing there, I invited them in. They told me their names: Brooke, Heather, Julie and Ava.

I was sitting on the bed when Brooke pushed me on my back, lifted her dress and there it was hanging down between her legs, one of the most beautiful cocks I had ever seen.

She said, "suck me", my mouth just opened and she slid her big cock all the way in then she started pumping in and out. Heather was on the other side of me, she said, "what about me", I slid Brooke's cock out of my mouth turned my head and slid her big juicy cock in going back and fourth between them.

Julie lifted my legs on her shoulders, her big cock was all wet with lubricant as she slid her big cock in my wel-

come asshole, man it felt great!

Julie switched with Brooke and then Heather then Ava, round and round we went. As Heather pulled her cock out of my asshole she moved quickly up to my mouth and slid her juicy cock in. We spent the whole day just fucking and sucking taking load after load of hot sticky cum in my ass and mouth. I was covered with juice.

They all kissed me goodbye and said see you next Wednesday. That's my fantasy.

Love ya,
George

A Bisexual Man

I am sending this letter to you in hopes to get some help?

I am a Bisexual and have always had no problem with getting a date or picking up someone for a lover, regardless woman or man. I have more gay men hit on me for sex than women, and I've been told by a lot of gay men that I am a good looking man.

I enjoy sex with gay men rather than bisexual men because a gay man knows what a man wants to feel while having sex. It seems with me I always have to tell women what I want when getting ready for sex, I don't like that.

I have never had a sexual lover as a she-male. I see them in magazine ads where I can only look and sometimes dream of having sex with, while jack-ing off. But I have wondered, do they always dress as women in public and in home, and do they prefer to be treated as a woman? I want to meet one and hopefully have a real relationship with one, so I can enjoy both.

I look like I'm 21 years old but I don't like it because I'm a serious person, if you were to see me you wouldn't think that I am this way. I'm a 34 year old 5'7", 137 lbs., 8 1/2" x 2" dick, short jet black hair and I'm a southwest artist.

If I do get involved with a she-male, would I be considered a

"Bi-sexual" or "Gay" - not that it matters because I don't talk about my sexual life in public, but could you be nice enough to find me someone to write to and get to know, and could you please answer my questions about my sexuality?

I would really appreciate all your help in my quest for a she-male lover.

Sincerely,
M. R.
Arizona

If you want to correspond with a she-male, check out the personal ad section here in FMI..we have a lot of new ads this issues and I am sure you can find someone in the lifestyle to answer your questions. Each 'girl' is different just as each person is different.

All About Balls

Not so long ago you lamented in an editorial in FMI about the seeming death of local drag balls and pageants. Indeed 'Female Mimics International' for me was the place to find the best - if not the only - coverage of the pageant scene on both the east and west coasts, pageants such as "The Universal Ball", "The Battle of the VIP's", "The Miss Continental USA", pageants, and so on.

Your explanation was that the pageant promoters now demanded high fees for the "photo rights" and that you couldn't afford it. Obviously a sad state of affairs especially in view that television talk shows have severely cut back

on topics involving transgendered people. Goodbye free publicity.

Perhaps things will improve in the near future but for right now how about re-printing some of the coverage of past pageants and pageant winners. You once ran a series called "Belles of the Ball" but I only recall two segments (Venice Santini and Serena Saunders) ever being printed. So how about a series called "Back when..." with 'Female Mimics' 30 year history, I'm sure you have file cabinets stuffed with material on hundreds of drag balls and pageants held across the country.

As a long time reader of FMI I miss the pageant coverage. The pageant scene is the centerpiece of the transgendered community. Unlike a drag bar it is the one time and place where you can find your true potential and stretch your horizons. Not just be yourself, but what you could be if you want it bad enough.

So give it some thought, okay? Remembering pageants of the past is not the best substitute for coverage of current pageants and balls. Then again it's nice to see a familiar face and marvel at how far that person has come.

Yours truly,
PE

We agree with you about how nice it was to see the current balls. Well in our next issue we will have coverage on a couple of current balls/drag shows and we will be taking our magazine all color and adding 8 pages for that issue. So don't miss it!

The Gay Video Guide sets the porno world on fire each November and December with it's annual Awards Ceremony. On October 14, we all packed into the West Hollywood Firehouse (no, not the real one, though that might have been fun) to be present for the announcement of this years nominations.

Well, that was all really nice, but what we here at FMI are interested in is who was there in clothing of a gender

not necessarily their own. And there was plenty of that. Chi Chi LaRue, porno director extraordinaire and recent authoress of her own x-rated bio, *Making It Big*, was there to run everything, as usual. Among her lovely cohorts were Jasmine, very pretty in pink and Mona Foot, make-up artist to the stars.

Other usual suspects included Crystal Crawford (with an exceptionally good looking escort, we must say) and performing that evening, Karen Dior. She did her best in the style of Wayne/Jane County and wowed us all with her big hair and jock-strapped back up boys.

Now we must pause here to talk about porn stars who sing. Johnny Rey and Sharon Kane, both of Blue Movie fame licked the microphone for us. Sharon is to be applauded simply for being the most versatile of all performers in the entire industry, but Sharon. Don't sing. And Johnny, fix your hair.

We still go to the Boulevard every year. Yes, we've heard the complaints that too many "civilians" are there, out of costume and simply gawking at "us". But we might have a higher purpose here. We've seen more than a few straight couples there enjoying the experience of dressing up and being out in the crowd. Besides, some of us like to get all dressed up and be stared at.

As far as really original costumes, there were a few. A small group of boys, wrapped in cotton clouds sprayed

water on everyone and had "El Niño" written across their backs. Cute. There were a few misguided souls dressed as the dead Princess Diana. Why? There were the obligatory Joan Crawfords and Marilyn Monroes, some good, some sad. Fewer muscle-bound sex boys dressed n as little as possible. More of them chose to go en femme this year. And we must say that the idea of a big butch guy putting on fine silk panties and shaving his big muscular thighs

to pack them into sheer nylons and a garter belt is more than a little exciting. Some of these big, young, cute guys dressed as girls get a little tipsy and end up up-ended in the nearby West Hollywood Park. A good time is had by all. And what are all those big staright guys with their girlfriends looking at anyway?

But tonight the entire cast of West Hollywood picked up and landed in the San Fernando Valley at the glamorous studios of Centuar Productions where Chi Chi and Chip Daniels were sharing their birthday festivities. This

has always been another really good excuse to get dressed up as pretty as you can and get felt up by the hunky and adorable video stars of the gay and straight adult world.

Everyone is already a little unsure of who and what they like to have sex with, so the drag queens make out like bandits, flirting and being sure of who they are and what they want. Besides, these boys have all done each other a million times and need a little something off the beaten path, and as you see from the pictures here, there was a tempting selection to choose from.
